

Kepner-Tregoe's Digital Workshop Materials

KT Books delivers our training materials in a dynamic digital format – allowing learners to view and use workshop materials on their laptop and mobile device.

Accessible from any device

Learners can access materials on computers and via iOS and Android mobile devices. Materials are available when there is an internet connection and can be accessed offline!

Interactive

Need to make a note or highlight in the materials? No problem, KT Books allows you to annotate and highlight in the materials. You can also do a full-text search to find exactly what you are looking for.

Always up to date content

You will always have the most recent version of the workshop materials on your e-shelf.

Environmentally friendly

Reduce your organization’s carbon footprint by going digital!
